They are professor B.S Rudresh professor R.V madalli professor V.V.Bondade professor Harish .T.T the temple is a occeude in the middle of the city. As we reach to the temple professor R.V. Madalli sir had guided the students with their valuable knowledge regards to this historical temple.

We saw different types of structures in the temple and outside the temple which has its own meaning. At first we saw the lamp pert which is used by the ancient slides or dynasty pupil. To celebrate the goodness afterwards we saw the tortoise like structure we show that why entering to the temple we should have to keep our ego and negative things in our self or should have to throughout from us.
